ST. JUDE GARAGE SALE

If you have not shopped or helped out at the St. Jude Garage Sale, it is truly something to behold. Our annual Garage Sale takes place during the last days of May and the first days of June.

This year's effort was another great success. This due in large part to Martha Donohue, her family members, and the small army of volunteers that help to sort, price, organize, and display the myriads of items that people donate. The prep and clean-up time as well as the time worked by so many during the days of sale is truly a massive undertaking.

Yet, it is tackled with efficiency and gusto. They have it down to a science. This year's estimated proceeds will go over the \$8,000 mark.

On behalf of the parish, I would like to thank, Martha, her family members, and the many other parishioners who volunteered to help make this year's Garage Sale such as success.

CHURCH CLEANING

I would also like to thank the volunteers who helped clean the church last Thursday morning. Several new volunteers showed up and some of them were high school youth. Thank you for responding to the "pulpit call" for help from the weekend prior. We are counting on you and hope you can continue to help during the summer months and beyond.

Grace & Peace,
Fr. Jim Mainzer

The United States Flag
As we look at the flag of our country, let us always remember its true meaning, for a flag without meaning

is only a piece of cloth. The red of our flag stands for valor and bravery like that of those who fought to protect our freedoms. White signifies purity and innocence, as that of our Founding Fathers' intent to secure the rights of all. Blue signifies vigilance, perseverance, and justice, as all are needed in any government to secure the blessings of God. And as our stars and stripes point to the stars of the heavens and the rays of the sun, let us never forget that our country must depend upon God's blessing and protection.
